Our Learning *Our Opportunities* *Our Responsibility*

Dear Parent/Guardian

We look forward to welcoming our pupils on Wednesday 19 August and thank you for your support with this process.

Parking Arrangements and Enhanced Provision (Department of Additional Support Needs)

We are delighted that our Enhanced Provision (Department of Additional Support) is now fully established in the school and has been so successful. We were pleased to have the disabled bays in the car park recently re-painted given the increasing need to access these bays. We would ask that their purpose is respected.

Cars should not be entering the bus park during the hours that buses can be arriving or departing. Depending on the weather, and traffic issues, this can extend beyond the formally scheduled times.

We would ask for your support with the following:

Cars should not enter the bus park between 8.15 and 8.50am each day.

Cars should not enter the bus park between 3.25 and 3.50pm on Monday to Thursday.

Cars should not enter the bus park between 12.15 and 12.40pm on Friday.

Thank you once again for your continued support as we continue to promote our shared school values of **Ambition, Respect and Commitment.**

Rector
